

# Conference Calls

Each person who will to be on the conference call will receive from you your secure pin number. They must only enter the conference call once the chairperson of the call has logged on.

Uniquely the Credit/Debit card will only be charged for the minutes used by each user on the conference call.

Most conference services are accessed by 08 numbers. These numbers are now charged at a minimum of 20ppm from mobiles and are not accessible from outside of the UK

Core Conferencing have a 08 service running along side the Credit/Debit card service.

For more information and a demonstration of the service please call Core Telecom:  
**0844 272 2000**

This is a full International conference service. All participants can call using mobile phones or land-lines
